How to apply?

Instructions to design the e-Posters:

- The e-Poster consists in one Power Point slide (Office 2007 onwards).
- The e-Poster has a **vertical disposition**. The proportion is 16:9 (height/width).
- The resolution must be 1080 x 1920. This is the size of the of the template we send, which is in a 16:9 proportion (vertical).
- Please note that the following WILL NOT be accepted: animations, sound, or video. And tables or graphics should be included as images.
- Title: the font size must be 20 or higher. For the rest of the text: the font size should be no smaller than 10. These are the font sizes you will find in the template.
- Colors: dark backgrounds and light text are desirable.
- Type of font: we recommend that you use the standard Windows fonts (Arial, Times New Roman, etc.)
- Please, save the file with its e-Poster code and .ppt or .pptx extension, the size should be no bigger than 5MB. Note that the size of the images you include in the file make the file bigger.

The Poster authors should be registered for the Congress in order to have their proposals reviewed.
